Rwanda Ultimate Golf Course Ltd

Job Description

Title : **Machine Operator**

Reports to : **Assistant Greenkeeper**

Number of staff needed: **1.**

Job Purpose:

A great machine operator is reliable and able to work with attention to detail and safety standards. On-the-job training is a good way to discover how to do the job better, so you should have willingness to learn and improve. Being a team player is essential since all tasks will require close collaboration with co-workers.

The goal will be to ensure that maintenance procedures will be carried on smoothly to maximize efficiency. The Equipment Operator is primarily responsible for operating equipment and providing knowledge, labor and support for the daily conditioning of the golf course.

This position for practical purposes covers both large and small equipment operators, as they operate interchangeably depending on course requirements.

Specific responsibilities and accountabilities include, but are not limited to the following:

- Under supervision, operates motorized equipment and tractors used on the golf course in an efficient safe manner and does related tasks as required.
- Operates multi-unit hydraulic mowers and / or tractor-drawn mowers in mowing golf course turfs,
- Operates mechanical loaders in moving soil, debris, and other materials.
- Maintains, lubricates and makes minor adjustments to equipment,
- Tee equipment operator may be responsible for moving tees as directed by the assistant greenkeeper.
